Giving You Something
TO SMILE ABOUT

JOIN BEYOND DENTAL CLUB TODAY!

We've found that most folks without dental insurance don't come to see us regularly because of one primary thing ... the expense! And we understand. We know going to the dentist can be costly.

We also know that your cell phone plan or even your gym membership would be expensive if they made you pay for it up front. That's why we created Beyond Dental Club -- a dental membership club to keep you healthy that also saves you money.

Beyond Dental Club is a dental membership plan that eliminates ordinary dental care hassles and gives you instant benefits. You get discounts on preventative care, as well as orthodontics, restorations, and even cosmetic procedures.

Our goal is to keep you healthy and to make it easy for you. With the Club, you won't ever need to deal with a third party to get your benefits - everything is right in our office.
